

CTMS Art Supply List 2020- 2021

Hello Artists! Below you will find a **SUGGESTED** art supply list for art students in 6-8th grade. These supplies can be used in school if you choose not to use our supplies, or if you are part of the Virtual Academy. I tried to choose a limited amount of materials, while keeping the cost as low as possible. If you choose another brand or higher quality, that works too. These are by no means the “best” or “end all” but can be a quick start to your at home art supply kit! If you are looking for higher level supplies, try getting some prisma color colored pencils, oil pastels, chalk pastels, posca pens, acrylic paint, small canvases, liner pens, sharpies and charcoal.

-Ms. DiGioia
